Dear Sir

I have had no word from anyone yet about that passage of mine on the Boombana and was wondering whether it was all right.

I can't remember for the life of me if I ever sent you back the money you lent me at Roebourne. You lent me a quid and then some silver. If I did send it to you I have not heard from you since.

Do write and let me know, and what the amount was I owed you. I have struck a good job here. I have not been about the country much though but what I have seen of it has impressed me favourably. My people are coming out from the old country in Sept. & I may go down to meet them then.

Trof me a line if you hear of any descent
sheep in the way of sheep country either unimproved or
at present under cattle.

I remain
